EXTRA, EXTRA, READ ALL ABOUT IT!!

Assumption BVM School has purchased a **brand-new** reading and literacy program this year entitled Journeys. Hopefully your son/daughter has shared some of their excitement with many of the program's awesome, engaging features.

Our team of **K - 5th Grade teachers** are excited to offer their students daily instruction of reading, writing, spelling, phonics, vocabulary, listening and speaking with the Journeys program. Their daily work with students supports individualized learner needs (called differentiation), ongoing assessment, and faith integrating components that get students into Bible stories, with many instructional tools, including technology.

This team of teachers meet regularly to discuss and collaborate on best methods to meet every student's literacy needs. **Beginning Monday, October 9**, our team of teachers will be providing a **school-wide literacy time** (9:45-11:25am). Students will be working on their personalized reading level with one of our teachers. This may or may not be their grade-level teacher. This means that students will be working on skills at their assessed reading level with other students at that same level. With our **built-in ongoing assessment**, your son/daughter will have many opportunities to build ongoing literacy success and excel. Please feel free to talk to one of our teachers or Mrs. Wilinski with any questions you may have. Also, watch for an upcoming informational evening in which teachers will share our new literacy program with you.
