## November Health Tip of the Month

Have your family help create a list of favorite meals with important details like cook time, ingredients, cookbook, etc.

Each week, your family can choose the meals they want to eat for the week, and a grocery list will be easy to create.

This should help avoid last minute and repetitive meals!

**Please share your family meal ideas and pictures with Assumption BVM School!**

Check out **meal ideas** from 2 families on the **website** on the **Home Page** under **News & Announcements**.
