Please complete the **purple** form you received last week and return it to the school office to give Mrs. Ludtke an accurate count.

Show By Example

When we teach our child to ride a bike or tie their shoes, we do so by showing them. Make sure to also show your child ways to live the faith. Discuss what you do to keep your own soul healthy and strong.

Daily Exercise Is Key

One only gets better with practice. Make sure your child practices his faith every day. Prayer and service to others are two every day habits that start in childhood.
