## Fun Friday

### What is Fun Friday?

The first day of the school week, all students and staff recite our school mission statement. In that mission, we confirm that we strive for educational excellence and discipleship. To reward the students who live this mission, we have started a reward program.

When students show positive discipleship, or go above and beyond expectations, they earn "shields." If students have enough shields and have displayed educational excellence for the week (showing effort in class, schoolwork completed and turned in, etc.), they earn "Fun Friday."

During the last 20 minutes of the day, students may choose from activities such as outdoor recess, basketball in the gym, arts and crafts, board games, computer time, or building time. If the number of shields needed is not earned or school work is not finished or turned in, students go to a study room where they finish their work or silently read.

If you have any questions, please feel free to contact your child's teacher.
